

Workshops

What better way to spend an afternoon or evening than trying your hand at floristry!

Demonstrations from our talented stem stylists, accompanied by nibbles, refreshments and Prosecco courtesy of flowerculture. You will craft and create your very own masterpiece, that you can take home to admire.

From hen party's, baby showers, bridal showers, team building events to a private flower class at home, we see any occasion as a great occasion to try out your skills and bond over flowers. So let flowerculture host a workshop for you.
